Letter No.920/1-24, dated the 17th March, 1931, from the Inspector of Schools, Coorg and Bangalore.

In March 1929, a two-thirds grant of Rs. 1,511-8-0 was sanctioned to St.Agnes Poor School towards certain extensive repairs to the school subject to the condition that the grant would be paid as and when funds permit. The School Authorities have not been able to carry on the work for want of funds to meet their share of the expenditure.

Para 2 of P.W.C.

In the meantime, the provision of special music rooms was found urgent and this work has been commenced with the permission of the Inspector in anticipation of sanction. The Inspector says that he has reserved funds in the current year for this work and recommends a half grant of Rs.540-8-0.

Para 3 of P.W.C.

If approved, a grant of Rs. 540-8-0 or one half of the actual cost, whichever is less, may be sanctioned under Articles 50 and 57 of the Code of Regulations for European Schools in the Civil and Military Station of Bangalore, the execution of a trust deed waived.

Sir,

I have the honour to enclose herewith an application for a grant towards the purchase of Evan's "Universal Projector" for the use of the St.Agnes' Poor school, Bangalore. I ~~have~~ am in favour of the purchase, as the apparatus will be useful in the teaching of all subjects, besides answering to the present day methods of kindergarten teaching.

2. The Correspondent asks for a full grant towards the purchase as she is unable to meet any portion of the expenditure, the school being intended for poor children, and as the authorities contemplate extensive repairs to the school building which will require a good deal of money. I therefore recommend that a full grant amounting to Rs.330/-be kindly sanctioned under art 57, of the C.R.E.S.

Sir,

I have the honour to invite your attention to your No. 2331/dated 7.3.29 sanctioning a 2/3rds grant of -- Rs. 1511-8-0 towards certain repairs to St. Agnes Poor school, Bangalore.

2. Provision was made this year out of the building grants for the payment of this grant, but the school authorities expressed their inability to carry on the work for want of funds to meet the third part of the expenditure. The matter was therefore dropped, but on 9th February last, the Correspondent wrote to me saying that the urgency of providing special music rooms called for certain alterations in one of the rooms of St. Agnes School, and sent plan and estimate for the purpose of sanctioning a grant, These were sent for the Executive Engineer's scrutiny and have only just been received back with his approval. In the meantime both because the work was urgent and because the funds reserved for the purpose would lapse if the work was not finished before the end of the official year, I asked the Correspondent to begin the work in anticipation of sanction and I am told that it will be completed very soon.

3. In the special circumstances mentioned above, I request you to be good enough to obtain the Hon'ble the

Resident's sanction to the payment of a half grant of Rs. 540-8-0 towards the work. The execution of a trust Deed need not be insisted upon, both because the work is a petty one and the school is under the French Catholic Mission, which can be relied upon not to utilise the building for any other than Educational purposes.

4. The expenditure will be debited to "Account II-Education- B.Secondary-Grants-in-Aid to non-Government Secondary schools-Building and Furniture grants" in the current year's Assigned Tract budget.
